NEW APPROACH

FOR SUCCESSFUL SERVICES

ABOUT US

The Problem Gambling Resource Centers provide services that focus on raising awareness of problem gambling and advocating for those in need. These services are available to anyone struggling with gambling related problems, regardless of their ability to pay, AND are multilingual since we strive to meet the needs of all individuals in each community.

PARTNERS

"Second Chance Opportunities has benefited greatly from the collaboration with the PGRC. who's been supportive, informative and great to work with!"

Second Chance Opportunities - Albany

CLINICIANS

"The vision of the PGRC has helped me to see how many people's lives are directly affected by an individual's gambling problem...the PGRC is an ideal resource to connect clients with the right treatment to gain back their lives and lead a healthy productive lifestyle."

Tricia-Auburn, NY

CLIENTS

"Things are going really good actually!! He's still seeing his therapist and seems to be really benefiting from the sessions. It's been a month without sports betting (his main issue)...He has been "clean" for a couple months before...so I'm hoping this time with the PGRC's help it really sticks."

Courtney, Spouse- Rochester

THE DATA

750 NYers served in the first year.

Nearly 20% of our clients are loved ones of someone with a gambling problem.

3 out of 4 clients reduce their gambling and improve their quality of life.

99% of our clients are satisfied with the services they have received.
