

Problem Gambling Screening: When your client screens positive

Use this guide to help you determine how to proceed when you encounter an individual whose screening results indicate they should have a further gambling assessment.

- ⇒ Explain to the individual that the results of the screen indicate they are at risk of problem gambling.
- ⇒ Provide psychoeducation about the risks associated with gambling.
- ⇒ Provide a referral for problem gambling treatment.
- ⇒ Referral Resources Include:
 - OASAS HOPEline 1 (877) 846-7369 available 24/7
 - Problem Gambling Resource Center 1 (833) 437-3864 available M – F 9 AM – 5 PM
 - [OASAS Provider Directory](#) to search for a gambling designated program in your area.
